

WAC WIRE

WAC Executive Board Report

“THE POWER OF YOU!” Hats off to our WAC members who have donated above and beyond their membership fees! Did you know that since the beginning of the “Friends of the Pool” campaign that YOU have donated \$84,625? \$49,752 has been used for the direct operation and improvement of our pool facilities with the remainder in our Community Foundation account to be used as needed. We will be making many building improvements with these funds in the coming months. THANK YOU! Lucy Silliman

How about those updated shower rooms?

The WAC shower rooms are sporting freshly painted floors and new shower curtains. A donation from a patron provided new dressing curtains for the women’s shower room. .

New lockers are presently in transit and will be installed within the coming month. The pool will be closed for 1 day for installation. Stay tuned! We will notify you of the date.

Sargent Sue Wants YOU!

Water Aerobic Instructor, Sue Elliott, better known as SARGE, is at it again. Join her on Thursday mornings at 9 a.m. for Boot Camp Water Aerobics. It’s a fun time and an extremely good work out!

Save the Date!

This has been a momentous year for WAC. Plan to come to our annual meeting, May 3rd to hear about our amazing year, give input to our board members, and have some fun. As always there will be door prizes and great fellowship.

WAC was recently one of several targets of vandalism. Our patrons quickly rose to the occasion! Within the hour of the discovery a donation was given to WAC for a new flag. Before 7 o’clock the next morning a different patron brought in a new flag. We thank you and are proud of the support of our patrons and community. Well done!

Thank You!

A HUGE THANKS to Jeff Chorpening of Greenside Up for making a donation of services for lawn care this coming summer. We appreciate it very much. When you see him, please say “Thanks for his help”.
